Thomas’s QI Donation Guide (5.5K progress, low effort)
0 Starting currency required; Shards recommended.

Day 1 Collection 1: Begin with the Alchemist 2 guide’s first day:

Day 1 Collection 2: Delete one Tannery, build 1 Alchemist.

At this point, you can begin donating all of your goods except ropes so your actions do not fill up. Keep the ropes, as you will need them.

Before you get a clapboard house down, donate supplies until they match coins, as alloy is the bottleneck in my strategy.

Day 2 Collection 1: Delete 1 Tannery, build 2 Alchemists

Day 2 Collection 2: Sell 2 Tanneries, build 2 Alchemists, build 1 frame house. Sell 2 Breweries, Build 2 Churches.

Day 3 Collection 1: Sell 3 Multistory houses, build 1 Clapboard house, build 1 Estate House, build 1 Brewery. I recommend rushing this Clapboard house so you can start using your actions to donate coins.

Day 3 Collection 2: Sell 2 Churches, Build 2 Doctors

Day 4 Collection 1:

Sell 1 brewery, build 1 ropery, buy 2 goods expansions, rearrange as you wish. Build 1 clapboard house and 6 estate houses

Day 4 Collection 2:

Sell 2 Churches and one tannery; build 3 Doctors

Day 5 Collection 1:

Sell 1 Church and 1 Brewery, Build 2 Doctors

Day 5 Collection 2:
